

Before

This shows a recent Anti-Fatigue Matting application that needed to be solved in the *window department of the Andersen Window* Bayport, MN Factory.

The personnel in this area now enjoy a *more comfortable, ergonomic, and safer working environment!*

After

We look forward to solving all of your **custom ergonomic matting needs** at Andersen Windows.

Please call us at **800-868-8659**, or email sales@acrotechofmn.com.
